PHP-Scripte -> Webmaster-Service

The screenshot shows a web form for creating a ticket. At the top, there are two links: "Ticket erstellen" and "meine Tickets anzeigen/Login". The form contains the following fields and labels:

- "Bitte wählen:" followed by a dropdown menu currently showing "Allgemeine Fragen".
- "Betreff:*" followed by a text input field.
- "Ihre E-Mail-Adresse:*" followed by a text input field.
- "Ihre Mitteilung:*" followed by a large text area.
- "Kundennummer:" followed by a text input field.
- "Ansprechpartner:*" followed by a text input field.
- "Telefon:" followed by a text input field.
- A "Ticket erstellen" button at the bottom right of the form.
